

30H shown with optional wagon kit

MOVINCOOL 30H

PORTABLE & FIXED SPOT AIRCONDITIONING

DENSO

SPECIFICATIONS

Cooling capacity	10kW
Air flow - Evaporator	1500m ³ /hr
Max operating temperature	45°C (50% RH)
Rating condition temperature	35°C (60%RH)
Refrigerant	R407C
Refrigerant charge	2100 grams
Power supply	400V
Power consumption	3.4kW
Current consumption	6.0A
Noise level	71db
Weight	157kg
Dimensions (mm)	(W)1100 x (D)650 x (H)917

SAFETY DEVICES

- Compressor overload relay
- Fan motor protection
- Anti-freeze Thermostat
- High pressure switch

- ✓ No costly installation required
- ✓ Provide **supplementary cooling** when needed
- ✓ **Speed up production** by shortening material cool down time

- Rugged design for harsh environments - Ideal for all industrial and commercial applications
- Unmatched 10kW cooling capability with efficient and low power consumption
- Fixed or ceiling installation available
